CAREER OBJECTIVE

I am currently pursuing PG-DAC and have good knowledge of Core Java, MySQL, DSA, HTML and CSS. I enjoy learning new things and want to start my career where I can use my skills, work on real projects and keep growing.

PROJECTS

Bank Management System | *Tech Stack: Core Java, MySQL, JDBC, HTML, CSS, Java Collections Framework*

- *Developed a Java-based banking application to create and manage customer accounts and process deposits, withdrawals and fund transfers, with an HTML and CSS user interface.*
- *Designed a normalized MySQL database and integrated it using JDBC to perform secure CRUD operations through prepared statements.*
- *Used the Java Collections Framework to store, search and manage customer and transaction records efficiently.*
- *Implemented input validation and exception handling to prevent invalid transactions and keep the application stable.*

GitHub: github.com/avinashsawale/Bank-Management-System

Freelancer Management System (In Progress) | *Core Java, MySQL, JDBC, HTML, CSS*

- Developing a freelancing platform for project posting, freelancer registration, applications, and hiring.
- Designed a normalized MySQL database and integrated CRUD operations using JDBC.
- Implemented Java Collections Framework, input validation, and exception handling to ensure efficient data management and application reliability.

TECHNICAL SKILLS

Programming Languages: Java, Python, SQL

Java Concepts: Object-Oriented Programming (OOP), Exception Handling

Java Collections Framework: ArrayList, LinkedList, HashMap, HashSet, TreeMap

Database Technologies: MySQL, JDBC, CRUD Operations

Web Technologies: HTML, CSS

Developer Tools: Git, GitHub, VS Code, Eclipse

Computer Science Fundamentals: DBMS, Data Structures and Algorithms

EDUCATION

PGDAC (Pursuing) Aug 2026– Feb 2027

Pursuing Post Graduate Diploma in Advanced Computing (PG-DAC), focusing on Java, Python, database management, and full-stack development.

B.Tech in Computer Science & Engg 2026

Tulsiramji Gaikwad Patil College of Engg & Technology

DECLARATION

I hereby declare that the information given above is true and correct to the best of my knowledge and belief.
